

This declaration of conformity is issued under the sole responsibility of _____

Product Identification:	
--------------------------------	--

Location(s): _____

The object of the declaration described above is in conformity with **Directive 2011/65/EU** of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment:

The part number(s) listed above and the homogenous materials in the product are compliant with the Commission Delegated **Directive (EU) 2015/863** of March 31, 2015 amending Annex II to **Directive 2011/65/EU** of the European Parliament and of the Council as regards to the list of restricted substances (RoHS).

These Products are fully compliant and do not contain the restricted substances above levels noted in **EU Directive 2011/65/EU**.

These Products are compliant due to an exempt use of one or more restricted substances noted in **EU Directive 2011/65/EU**.

Applied Exemptions:
